Re: Donation

Dear LA-OC Association of Rehabilitation Nurses:

Thank you for your support of Easter Seals Disability Services Southern California.

On behalf of the staff, volunteers, and countless children and adults with disabilities whose lives you have touched, thank you for your generous \$500 gift (*Check #1051 dated February 16, 2007*).

Goals and objectives are constantly being reviewed, updated and set in action to build better programs for children and adults with disabilities. This vigilance and support has brought Easter Seals Southern California from a small service provider to one of the leaders in disability services.

Today, Easter Seals Disability Services Southern California touches 2,000 lives a day with additional awareness and planning for programs that include autism and seniors with memory impairments.

Again, thank you for your support and I look forward to meeting you in the near futures. Please feel free to call me at (714) 834-1111 Ext. 234 if you have any questions.

Sincerely,

Diane Drolet
